

Proposed Temporary Relocation of Casual Carpool Pick-up Location COMMENCING MONDAY SEPTEMBER 23, 2013 (FOR 18 MONTHS)

Casual Carpool currently operates on the west side of Beale Street north of Folsom Street, Monday through Friday from 3 p.m. to 7 p.m. A new construction project, on the north side of Folsom Street between Beale Street and Fremont Street, is scheduled to begin this fall. Due to safety concerns associated with construction activities, the current Casual Carpool staging area will be relocated to a new temporary location for approximately 18 months (9 metered spaces on west side of Spear Street between Howard Street and Folsom Street). After 18 months, the Casual Carpool will return back to its current location or another alternate location.

In an effort to accommodate the evening commute, the Office of Community Investment and Infrastructure (OCII) and the San Francisco Municipal Transportation Agency (SFMTA) have identified the following location as the temporary site of Casual Carpool for the duration of construction:

SPEAR STREET, WEST SIDE, between HOWARD and FOLSOM STREETS
Casual Carpool pick-up will operate between 3 p.m. and 7 p.m., Monday through Friday

Due to the construction schedule, the casual carpool is being relocated prior to conducting a public meeting. The Sustainable Streets Division of the San Francisco Municipal Transportation Agency will hold a public meeting and request public comment on **Friday, October 4, 2013, at 10AM, in Room 416 (Hearing Room 4), City Hall, 1 Dr. Carlton B Goodlett Place, San Francisco, CA 94102.** The public meeting will determine whether the casual carpool remains as proposed for the next 18 months. Written opinions may also be transmitted by fax to (415) 701-4737 or by email to sustainable.streets@sfmta.com with subject line "Public Hearing."
